

Royal New Zealand Yacht Squadron International Sailing Fund

Application Form

The Royal New Zealand Yacht Squadron International Sailing Fund was established in 1980 with the objective of the fund being to assist members to participate at the highest level of international sailing and maintain our prestigious sailing history.

The International Sailing Fund receives income from, a members levy paid with the annual subscriptions and half of the proceeds from the annual Charity Corporate Regatta. With limited income and this objective in mind it is essential that the fund is managed in a proper way to ensure its continued viability.

This means there are restrictions on the amount allocated from the fund in any one year and also on the amount allocated to any one team or individual in any one year. It is also important to be aware that no retrospective applications for funding will be considered.

All applications are considered by the Sailing Committee with a recommendation being forwarded to the General Committee for approval. No retrospective application will be considered.

Criteria:

1. All applicants shall be full financial members of the RNZYS.
2. Applications must be received at least **two** months before the event/regatta begins.
3. The RNZYS reserves the right to accept /deny any application and no correspondence will be entered into.

The purpose of the funds allocated to your team is to provide assistance in meeting some of the costs incurred by competing in these regattas i.e. entry fees and travel expenses and they must only be used for this purpose.
