The Royal New Zealand Yacht Squadron is New Zealand's leading yacht club, with an illustrious history dating back to its formation in 1871. The RNZYS is also the official home of the America's Cup after Emirates Team New Zealand, representing the RNZYS, won the oldest sporting trophy in the world at the 35th America's Cup in Bermuda in 2017.

In 2021 the RNZYS will celebrate 150 years of existence that will see a variety of regattas and events take place throughout the year. None more so important than the America's Cup Defence itself. We invite you to join us for this very special year.

The Royal New Zealand Yacht Squadron is the organising authority for the 2021 Superyacht Regatta, Auckland. Held within days of the start of our defence of the America's Cup, you and your crew will be in the heart of the action. Berthage is available within the America's Cup village in the heart of the Viaduct harbour, races will be held in the picturesque and sometimes challenging, Hauraki Gulf.

Courses will include windward-leeward marks and outer harbour marks including islands and other navigation marks with one or two races each day, conditions permitting. The regatta will start with the race registration and welcome function on 24 February, and conclude on 27 February.

A morning Skipper's briefing and daily prize-giving (which all competitors are invited to attend), will be hosted at the 'Home of the America's Cup'. The final prize-giving and end of regatta party will showcase kiwi cuisine and hospitality at it's best, this will also be the opportunity to share stories, re-connect with old friends and make new ones, but most of all celebrate the end of a fantastic regatta and party the night away.

'There's always something happening in Auckland, from major sporting events, concerts and festivals to outdoor adventures, designer shopping and world-class food and wine.'

Auckland is a city defined by water. Sitting on an isthmus between the Hauraki Gulf, Manukau and Kaipara Harbours, the multitude of coves, bays and islands makes Auckland an ocean-goer's paradise.

Inner-city berths mean the heart of the city is at the end of the passerelle, while a short cruise out of the harbour gives access to wine-growing Waiheke Island, dormant volcano Rangitoto Island, and a plethora of quiet bays to moor in.

Back on land, Auckland combines world-class dining, shopping and entertainment with rainforests, walking trails, volcanic cones and alluring beaches all within easy reach of the city.

Culturally diverse Auckland plays host to a thriving culinary scene. Adventurous chefs draw

on Pacific Rim flavours and New Zealand's exceptional local produce, seafood and grass-fed meat in crafting a dining culture that is all their own. Micro-breweries and vineyards also abound in the region, influenced by Aucklanders' love of crafting world-leading flavours in their own corner of the globe.

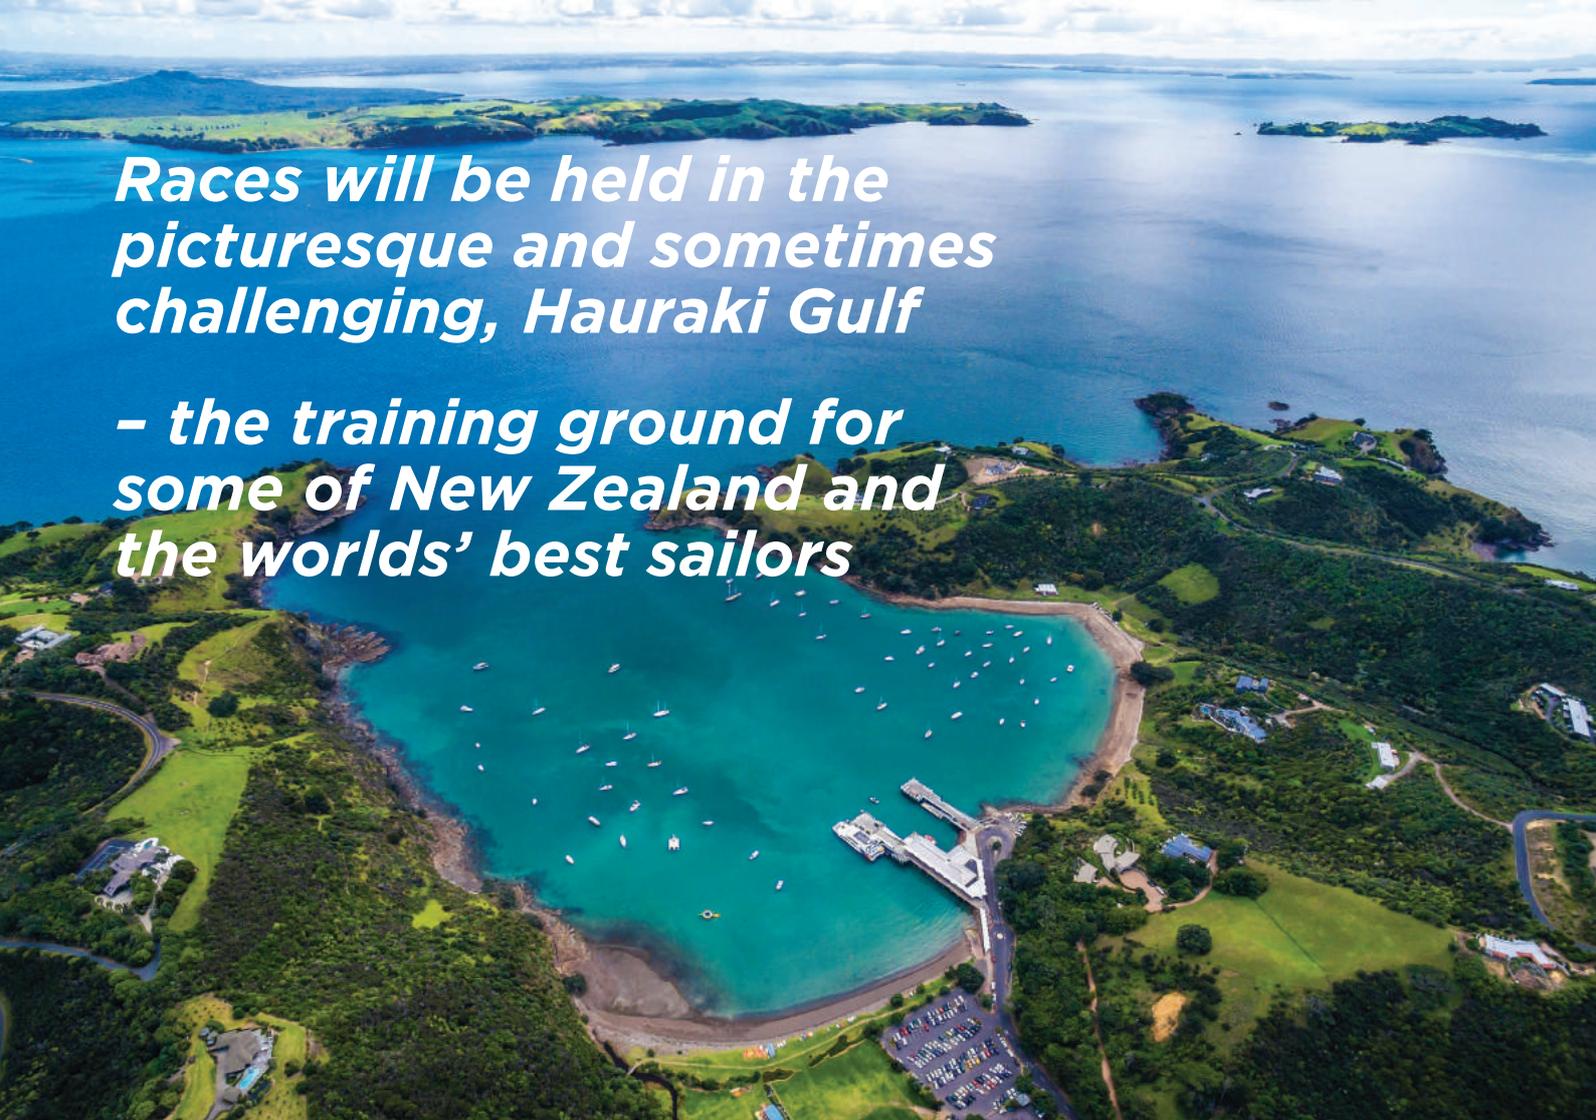

With the Hauraki Gulf on our doorstep, Auckland often plays host to internationally renowned nautical events, which in the past have included the world's largest annual, one-day sailing regatta, the 1999/2000 and 2003 America's Cup and the 2012 Louis Vuitton Pacific Series. Auckland has also proved a popular stopover port for the Volvo Ocean Race, and is now gearing up for the Prada and America's Cup Regattas in 2021.

A marina with a pier and several buildings is located on the right side of the bay. The surrounding land is lush green with rolling hills, some buildings, and a parking lot. In the background, the bay opens up into a larger body of water under a cloudy sky.
